INTERNATIONAL ANNUAL MEETING & HANDS-ON TRAINING WORKSHOPS.

Welcome to Islamabad, Pakistan.

INTERNATIONAL ANNUAL MEETING & HANDS-ON TRAINING WORKSHOPS.

18, 19, 20 August, 2017

Dear Learners,

After the successful Hands-on training Workshops for the last two years, we have arranged the first ever KOL based Aesthetic Conference & Hands – on training Workshop 2017 on the 18th, 19th and 20th of August.

This conference will include learning with an opportunity for you to practice the application of latest techniques in guidance of renowned Dermatologists & Plastic Surgeons.

The most significant feature of this training experience is that you will have a platform to share ideas with Internationally recognized doctors from around the globe.

We welcome you all at the exquisite learning experience.

Welcoming you,
Dr. Humayun Mohmand

Academy of Aesthetic
Medicines & Surgery

ENDORSED BY

VENUE

This program has been reviewed by the Educational Council and is officially Endorsed by the International Society of Aesthetic Plastic Surgery (ISAPS). Endorsement is not approval for Continuing Medical Education (CME) credit. The organizers may at their discretion provide separate CME credit.

INTERNATIONAL ANNUAL MEETING & HANDS – ON TRAINING WORKSHOPS.
18, 19, 20 August, 2017

Why Join Us?

1. 70 lectures from the Top Doctors of the World, covering every aspect of Aesthetic Medicine and Surgery.
2. Featuring the most exciting Cadaver session on every part of the face and each step of filling from the Top most Anatomists and Facial Plastic Surgeons.
3. More than 20 Hands – on workshops featuring the latest trends in Fillers, Botox and Threads of various varieties. Hands – on sessions are unique with one – on – one training opportunity for every participant. Never done by any other forum.
4. Symposiums covering EBD and RF/ Ultrasound/ Threads/ Fillers and various skin enhancing products.
5. A unique workshop for Dual Plane Breast Augmentation with video demo of every step.
6. Endorsed by the prestigious ISAPS, PAPS & promoted by one of its kind IMCAS, France.
7. Meeting and Training to be held at Marriott Hotel, Islamabad which is well known for International Security Measures and Five Star Luxury Hotel in Pakistan.

*The countdown begins in the Margallas – 18th, 19th and 20th
 August, 2017.*

INTERNATIONAL ANNUAL MEETING & HANDS-ON TRAINING WORKSHOPS.

18, 19, 20 August, 2017

Dr. PIERRE NICOLAU
(Plastic Surgeon)

He studied at the Faculty of Medicine of Montpellier. It is the oldest medical school in the world still in operation; training doctors for over a thousand years, hence its reputation for excellence.

Of international renown, he has taught in more than 345 teaching courses and workshops, more than 200 of them dedicated to skin fillers. He has given more than 200 conferences and communications in international congresses, and has published 55 articles and book chapters in international reviews.

He was responsible for teaching Aesthetic Surgery Procedures to Junior Surgeons at the University Hospitals in Paris, and was a member of the Scientific Editorial Committee of IMCAS. He is responsible for teaching at the University PARIS V- PARIS XII, Hôpital TARNIER – COCHIN, course on "Evaluation and Control of Injection and Filling Techniques in Dermatology and Plastic Surgery", "Biological effects of Injectable Fillers", "Anatomy and Physiology and Aging face" since its beginning in 2003.

Practicing both Cosmetic and Reconstructive work is a guarantee of safety and professionalism. He knows how to put an aesthetic sense in reconstructive surgery, and surgical rigor into aesthetics.

Dr. SEBASTIAN COTOFANA
M.D, USA

Dr. Cotozana began his career at the Ludwig-Maximilians University Medical School in Munich, Germany. After graduating magna cum laude

he pursued his Senior Post Doc at the Institute of Anatomy at the Paracelsus Medical University in Salzburg, Austria. He continued to achieve his habilitation in anatomy, furthering his interest in the field of cosmetic surgery and leading to his current position of Associate

Professor of Anatomy at Ross University School of Medicine. Dr. Cotozana has been a keynote lecturer, LIVE Dissector and organizer for many international conferences.

Dr. CONSTANTIN STAN
(Plastic Surgeon)

He is a graduate of the General Medicine Faculty of the University of Medicine & Pharmacy in Iasi, the 1982 promotion with the

Magna cum laude award.

He has a double specialization in: Otolaryngology and cervical and facial surgery at Panduri Hospital, Bucharest, under the guidance of Prof. Dr. Hociota Plastic and reconstructive surgery at Floreasca Emergency Hospital, Bucharest, under the guidance of Prof. Lascar.

He graduated in 2001 the Master of Aesthetic Surgery Morphodynamics at the University of Milan. He is the leader of the Allergan Academy.

Dr. RAMI HAIDAR
Oral & Maxillofacial Surgeon

The Oral & Maxillofacial unit in Cardiff covers all aspects of Oral & Maxillofacial surgery. He treats oncology and trauma patients. As a

senior house officer he treats all inpatients as well as covering the Accident & emergency department. He also supervised undergraduate dental students doing minor oral surgeries.

Dr. Rami Haidar was promoted to a specialty post in Oral & Maxillofacial Surgery, which was a major step in his career. It increased his exposure to new and broader aspects of surgical & medical emergencies and furthered his skills in leading teams & supervising SHO's. He has been appointed as an honorary clinical fellow in restorative dentistry in which he is involved in restorative dentistry clinic.

Best International Speakers

INTERNATIONAL ANNUAL MEETING & HANDS-ON TRAINING WORKSHOPS.

18, 19, 20 August, 2017

DR. GABRIELA CASABONA
(Dermatologist)

Dr. Gabriela Casabona is a dermatologist practicing in Brazil. She has dedicated the first 10 years of her career to mastering cosmetic

rejuvenation of both the face and body. She then traveled to the USA to serve a variety of externships with experts in various procedures and technologies.

Dr. Casabona has been a collaborator in the Laser department of Universidade ABC- Brazil. Since 2010, she shifted her career to more the surgical side and spent the last 5 years in many training programs in the US, Latin America & Europe furthering her expertise in skin cancer surgery, Mohs surgery, and honing her reconstruction skills (especially oculoplastics). She is also trained in cosmetic surgery including, fat grafting, endoscopic brow lifting and blepharoplasty.

For 15 Years Dr. Casabona has built her own clinic where 85% of her patients are cosmetic, mainly fillers, botulinum toxin combined with technology treatments and the newest generation of thread lifting procedures. The other 15% are surgical patients (cosmetic and oncology).

Dr. Casabona is presently an International Speaker for Allergan Medical, Merz Medical, and also Medical consultant and Speaker for Mesoesthetic Spain.

DR. STEFAN WETZEL
(Doctor in Biochemistry –
Cosmetic expert - France)

Doctor Wetzel studied in the Faculty of Medicine of Grenoble in France where he specialized in Biochemistry. He joined major Pharma Laboratories in

R&D, contributed to Arkopharma functional medicine business development and became an industry expert. Dr Wetzel now contributes to Laboratories Universkin R&D programs and as a cosmetics expert.

Dr Wetzel has taught in more than 200 teaching courses and workshops in various countries

SERGE CASTRO
(Aesthetic Clinician)

Professional Aesthetic Clinician, whose expertise and skills using the latest, most sophisticated technologies

for skin & body procedures he is sharing through workshops and lectures all over the world. As a CPA, BSc, CSA Serge is also the inventor, designer and developer of innovative medical Aesthetic devices. Serge is founder & sole owner of Carismed GmbH, MIRamedtech UG (both German companies) and MediSys, Inc (USA).

Dr. PEDRO HEREDIA
(Clinician Aesthetian)

Dr. Pedro Heredia obtained his degree Biochemistry in the University of the Basque Country (Spain) in 1998.

Later on, he carried out his PhD studies at the Biochemistry & Molecular Biology Department of the University of the Basque Country (Spain) & completed it with Cum Laude qualification in 2003. He worked as a Post-doctoral Research Assistant at the Imperial College London from 2003 & 2006.

He has published more than 10 scientific papers and participated in many congresses as a speaker. At BTI he is the International Medical Scientific Liaison (MSL) for the aesthetics, cosmetics and dermatology area for Endoret® PRGF® product working both as speaker in congresses, a trainer-of-trainers and as a business advisor.

DR. TARIQ DARR
(PRP Expert, UAE)

Dr. Tariq Darr has a vast experience in PRP. He manages portfolio of diversified brands which have more than 75 percent

of share in GCC countries. He has vast portfolio ranging from Dermatology, Plastic Surgery, Genral Surgery and Diabetic Ulcers & Wound Management. He plays a vital role in researching for latest technologies in the Aesthetic World.
