Medicines & Surgery

## Amazing Hands-on Training Sessions for:

- ✓ FUE (Follicular Unit Extraction) Hands-on Training
- ✓ SMP (Scalp Micro Pigmentation) Hands-on Training

### Dr. John P. Cole

*Hair Transplant Surgeon.  
M.D.*

John Peter Cole, MD specializes in numerous hair restoration techniques which includes Follicular Unit Extraction (FUE), Body Hair Transplant, Plug Redistribution, Plug Removal, Scar Revision, Facial Hair & Eyebrow Restoration, and Body Hair Farming.

### Dr. Konstantinos Anastassakis

*Head and Neck Surgeon.  
M.D, PhD.*

Dr. Anastassakis is among the few handful physicians of hair restoration in the world who are awarded the "Experience Route" accreditation as a Diplomate of the American Board of Hair Restoration Surgery. He currently sits as a member of the oral examination board of that organization.

### Dr. Chiara Insalaco

*Plastic, Reconstructive, Hair  
Transplant & Aesthetic Surgeon.  
M.D, PhD (Regenerative  
Medicine).*

Dr. Insalaco's great passion for hair transplantation started during her specialization in Plastic Surgery, as she attended the most important & innovative International Congresses and Workshops around the world.
